For issuance of the writ of mandamus directing the CHB/respondents No.5 to 9 to explain as to who they have created the schemes between the intervening period from 23 March 2010 (Annexure P-4 to 16th March 2018 (Annexure P-5) as the clear-cut directions with regard to need-based changes so allowed on 23.03.2010 were given a total disregard to and even the mentioned below like "Tatkal" were brought into effect and even the threat of eviction/resumption/cancellation levy of illegal fines in the form of yearly ground rent from free hold dwelling units in utter disregard of the full bench judgement mentioned above. The concealment of the notification of 1996 Annexure P-1 from the official website of Chandigarh Housing Board was done with the ulterior motive of keeping it hidden from the eyes of the general public and the dwelling unit owners as according to the said notification no charges were leviable on the industrial labour houses/economically weaker section houses/tenements (cheap houses)/ and only leviable categories for charges for conversion fee from lease hold to free hold were LIG/MIG/HIG/HIG upper. The creation of a charge of conversion fee 50-55 times over and above the original charges leviable from conversion from leasehold to freehold were also not justifiable as the same were not passed by the parliament of India, which was hidden by the Chandigarh Housing Board respondent No.5 to 9 from general public via notification related to the Chandigarh Conversion of residential leasehold tenure into free hold land tenure rules, 1996. Such a drastic steep charges is completely against the basic spirit under which the Chandigarh Housing Board was originally incorporated by the Government of India. The basic social equality objective was to provide cheap affordable housing to the needy sections of society. The conduct of Chandigarh Housing Board respondent No.5 to 9 through annexure P-7 to P-12 clearly demonstrates that their only intention was to make the Chandigarh Housing Board respondent No. 5 to 9 a money-making machine not for the board but for themselves.
