

PRESS NOTE

This is with reference to a News Item published in a Hindi Daily dated 31.1.2017 alleging that the CHB has created some new posts to promote the favoured ones.

In this regard, it is clarified that the news is not based on facts as no new posts have been created in the Engineering department of CHB. In fact some of the officers have been re-designated & some have been given additional charges (as detailed below) of higher posts for convenience and smooth disposal of the office work & to facilitate the general public. The charge of CE CHB (technical powers only) has not been assigned to any XEN but to SE CHB.

There are 8 sanctioned posts of Executive Engineers (EE) in CHB and presently 8 officers are working/designated as EEs in CHB and no additional posts have been created. The EEs in CHB have been given the financial powers to allot works upto Rs.5.00 lac only and not Rs.30.00 lac as mentioned in the news report. To cope up with the work, some senior most AEs in their cadre have been given the additional charge of the posts of SDEs (which were lying vacant).
