

PRESS-RELEASE

The Chandigarh Housing Board has recently provided facility of online payment of all kind of dues by visiting its website www.chbonline.in . A good number of allottees/applicants have started making online payments through their Debit Card, Credit Card and online banking. There are no additional charges for making online payment.

Still a considerable number of allottees are making offline payments by filing physical challans in different branches of HDFC in Chandigarh territory. However it has been observed while filling the challans, some of the allottees are making following common mistakes:

- Using different challan then the prescribed one for the particular payment
- Not mentioning some of the vital information
- Mentioning wrong information about the dwelling unit number, name of the scheme and allottee name etc

Above mistakes are resulting in delay in settlement of account and in some cases the difficulties are being faced to credit the payment against correct dwelling unit number. Such mistakes are leading to further complications and delay while issuing No Dues Certificate and transfer letters etc. To resolve this problem application for generation of challan for cash/cheque payment has been provided. The allottees who don't want to make online payment may generate a challan by visiting website of the CHB and use the challan for making payment in any of the branch of HDFC within the Chandigarh City. For general of such challan, the basic data of the allottee will be fetched from the database provided by the CHB to avoid any mistake and early credit of the payment.

To facilitate those allottees that do not have internet facility or facing any difficulty in generation of challan, the following Branches of HDFC bank have been identified to assist in generation of challans:

- HDFC Bank Branch at Sector- 9 D,
- HDFC Bank Branch at Sector- 22 B,
