

No.PA/CEO/CHB/2020/206

Dated: 03.11.2020

**NOTE**

Today, a meeting was held to discuss the issues regarding some of the applications received during the Camp organized for the occupants of prefab shelters at Sector 52 & 56 from 26.10.2020 to 02.11.2020 for allotment of flats at Maloya-I under Affordable Rental Housing Complexes (ARHCs) Scheme. As conveyed by the note dated 29.10.2020, considering that most of the occupants are un-authorized occupants there cannot be any claim about ownership of the Pre-Fab. The prime criteria of the eligibility is being present occupant of the Pre-Fab Shelter.

2. In view of above, the following issues may be resolved as under: -

- i) Some of the occupants mentioned in the survey list or recommended by the Committee may not be having residential proof for the particular prefab shelter. Hence their identity proof indicating residential address other than the prefab shelter may also be accepted.
- ii) In some cases, the occupant/spouse, mentioned in the survey list, is not a co-applicant due to various reasons like death, missing, divorce, marital dispute or migration to native place during the lockdown. Since the Pre-Fab Shelter occupied by the person/family need to be demolished alongwith other Pre-Fab Shelters, the application from the actual occupant (without spouse) may be accepted along with supporting documents about the stated reasons. In the absence of any supporting documents, an affidavit to that effect may be obtained. In such cases rental accommodation may be allotted in the name of single persons and name of the co-allottee may be added subsequently at appropriate stage.

  
(Yashpal Garg, IAS)  
Chief Executive Officer,

To,  
All the AOs/SOs

Copy to:

1. Chief Engineer, CHB
2. Secretary, CHB
3. Chief Account Officer, CHB
4. SLO, CHB
5. Computer Incharge, CHB
