**PRESS RELEASE**

**Auction of Surplus (Serviceable & Un-Serviceable)items**

A huge number of old/un-services items were lying at the Central Store of the Chandigarh Housing Board in Industrial Area Phase-I. Last auction of such items was done by CHB more than 25 years ago. These items were occupying a considerable space at the Central Store which can be utilized for some productive usage. These items include TMT Steel of different dia, Aluminum fittings, MS door fittings, MS flat, GI pipes of different dia, RCC pipes of different dia and other scrap materials.

During last one year a detailed exercise of inspection/survey, making inventory of these items and fixing reserve price was carried out by a Committee of Officers. Total reserve price of these items has been fixed at about out Rs. 56 Lacs and the CHB is expecting competitive bidding for much higher amount.

Now the Chandigarh Housing Board has scheduled an e-auction of these items. Any interested bidder can inspect the surplus items at the Central Store and participate in the bidding process through e-auction website. The document/payment approval date is 07.01.2021 to 11.01.2021 while the e-auction will start from 12.01.2021 and will conclude on 27.01.2021.
