ORDER

No. *PS/AA/570*
Dated 13/05/2021

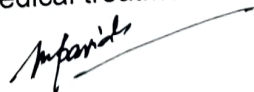

The following Mini-COVID Care Centres have been set up in different parts of the city for treating covid patients. All these Centres have professional doctors and nurses available to attend to the patients. They are also providing free food, medicines and necessary care. Many of these Centres have arranged for providing oxygen to the patients through cylinders/concentrators :-

Since beds in our hospitals in Sector 16 and 32 are almost full, new patients, who are coming for medication and require indoor treatment may be sent to these Mini COVID Care Centres for medication and admission, if need be. The Doctors from the attached Hospitals will also make periodic inspections of the Mini COVID Care Centres. The patient will make his/her own arrangement to travel to these Centres and will get necessary discharge certificate after cure from the concerned doctor of the Mini COVID Care Centres. Patients can also directly approach Mini Covid Care Centres, where doctors and nurses are available for medical treatment.
