No. CEO-CHB/2021/PA/96

Dated: 12.05.2021

To,
The Senior Superintendent of Police
UT Chandigarh

Subject: Security at Oxygen generation plant in Industrial Area Phase-I, Chandigarh

Kindly refer to this office letter no. No. CEO-CHB/2021/PA/87 dated 07.05.2021. It was informed that on 06.05.2021 some of the 'influential persons', who were not eligible to get their oxygen cylinders refilled, pressurised the officials/workers of M/s Super Agencies at 40 M.W. Industrial Area-I, Chandigarh-160002. It was requested that appropriate security might be put in place at the premises of M/s Super Agencies. Though some police personnel were deployed there from 07.05.2021 yet similar type of incidents happened again on 09.05.2021 and on 10.05.2021.

2. Yesterday (11.05.2021) at around 09.45 pm an incident took place when some of the persons tried to force the workers of M/s Super Agencies to get their cylinders re-filled. There was a scuffle with the workers and at that time no Police Personnel was present there. Immediately the local police was called and those persons did not succeed to get the cylinders re-filled. The workers deployed of the oxygen generation plant seems to be quite frightened and any possible resentment may prove disastrous. Considering that any shortage of oxygen to the hospitals at Chandigarh may lead to serious crisis and loss of human lives, it is requested that:

- i. Strict action may be taken against the persons who were involved in the yesterday's incident.
- ii. Reasons for non-presence of Police Personnel at the time of yesterday's incident may be looked into and round the clock security at the premises may be scaled further upto appropriate level.
