Subject: Mini COVID Care Centre

The Chandigarh Administration appreciates your great noble gesture of coming forward and contributing toward the management of the 2nd wave of COVID pandemic. The Mini COVID Care Centre has been operated by your Organisation in highly professional manner with the qualified Doctors & Nurses and provided food, medicines and other required services to the COVID patients without any charge.

 23/06/2021

Now since number of COVID patients has sharply reduced and presently there are only 07 patients in Mini COVID Care Centres, we need to decide about future of these Centres. Considering the possibility of 3rd wave of COVID-19, you are hereby given following two options with regard to the Mini COVID Care Centre set up by your Organisation:-

Option-I: Closure of the Centre, after discharge/transfer of all the patients, and vacation of the premises. OR

Option-II: Temporary closure of the Centre and retaining the given premises, with own security arrangements for items/installations, upto 30.09.2021.

You are requested to opt for either of the option, and communicate to the undersigned in next 03 days.
