

**CHANDIGARH ADMINISTRATION
OFFICE OF THE SECRETARY HEALTH**

No. PA/Secy-Health/2021/Camp Office

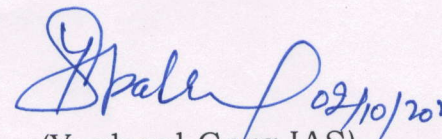

Dated: 02.10.2021

NOTE

Considering that approval for engagement of certain outsourced staff was for a period upto 30.09.2021 only and since the GMSH-16 does not have sufficient funds to pay their salaries for further period, the Outsourced Agency was asked to discontinue with the services of 81 staff of different categories w.e.f. 01.10.2021.

2. There seems some resentment among the out-sourced staff on this account. Though we acknowledge the good services rendered by them during last few months but they also need to understand that their engagement through Outsourcing Agency was for a short period only. The UT Administration is committed to provide the best possible medical care to all the patients. No one can be allowed to create indiscipline and disrupt the medical services especially during this ongoing COVID pandemic. Some of the vested interest are trying to mislead and instigate the outsourced staff with all sorts of misconceptions. All such efforts need to be dealt with strict actions which may adversely affect future career prospects of such persons.

3. The undersigned has been informed by the different sources that some outsourced staff has been recently hired during the last week of September 2021, for the same categories to which these 81 persons relates. Please provide the details of such outsourced staff which has been hired in the second half of September (i.e. after 15.09.2021) and the reasons as to why some of the persons out of these 81 could not be adjusted against that requirement.

(Yashpal Garg, IAS)
Secretary Health

To,

1. Director Health Services- GMSH-16
2. Medical Superintendent, GMSH-16

Copy to the Additional Secretary, Health, UT Administration Chandigarh
