**Subject: Mini COVID Care Centre at Bal Bhawan, Sector 23, Chandigarh**

Please refer to this office letter No.CEO-CHB/2021/PA/269 Dated 18.10.2021 vide which you were allowed to continue with the temporary closure of the Centre and retaining the given premises, with own security arrangements for items/installations.

In last few days, the number of COVID cases are increasing and there are many cases where the required isolation facility are not available within the respective homes of the persons. Hence, there is need to start the facility of Mini COVID Care Centre again especially for the quarantine purposes.

As discussed in the morning of today, you are requested to again make the Mini COVID Care Centre at Bal Bhawan, Sector 23, Chandigarh functional immediately. The Director Health Services will start sending the persons to the Mini COVID Care Centre from Monday, i.e. 20.12.2021.
