NOTE: The lease period of each of the above unit has already started from the date indicated against the unit. However, the annual ground rent will be payable from the date of offer of possession for each particular unit. As per Terms & Conditions, annual ground rent shall be 2.5% of the bid amount for the first 33 years from the date of commencement of lease, 3.75% of the bid amount for the next 33 years and 5% of the bid amount for the remaining 33 years period of the lease. Accordingly, in cases, where the 33 years of lease period has already passed, the rate of 2.5% per annum will not be applicable and the ground rent will start straight away @ 3.75% per annum of the bid amount. Here it is also clarified that the purchaser is not liable for paying any ground rent for the period prior to offer of the possession.
